Criminal Corporate Raiding in Bulgaria

March 28th, 2018

The practice of "criminal corporate raiding," which originated in Russia, has been exported to the EU - namely to Bulgaria, which is currently presiding the Council of the EU. In her article "Criminal Corporate Raiding in Bulgaria", Dr. Radosveta Vassileva explains why the attack on Corpbank is a classical example of criminal corporate raiding and sheds light on why this shameful practice thrives in Bulgaria.
