September 16<sup>th</sup>, 2022

On 30 August 2022, the European Court of Human Rights [established a dual violation of Art. 6\(1\) of the ECHR \(right to a fair trial\), as well as a violation of Art. 1 of Protocol 1 \(right to property\) by Bulgaria](#) in connection with the withdrawal of the license of Corporate Commercial Bank (Korporativna targovska banka) and the subsequent proceedings before the Supreme Administrative Court.

The judgement of the European Court of Human Rights reminded once again that the topic of Corpbank is not closed, no matter how much the political class of Bulgaria tries to run away from it.

Tzvetan Vassilev received several invitations to comment on the consequences of the recent developments:
