On 21 September 2022, Tzvetan Vassilev gave an interview to the creators of the Facebook group "Цветан Василев - Tzvetan Vassilev" regarding the latest events surrounding Corpbank (KTB), including the case which Corpbank's management won against Bulgaria at the European Court of Human Rights. This Facebook group was created by supporters of Tzvetan Vassilev's cause in June 2014 and to this day provides up-to-date information to those who support his fight against Bulgaria's mafia.
