
The 2013 Zlatna Martenitsa Annual Awards of the Made in Bulgaria — Small and Medium Business Union

The Zlatna Martenitsa Awards are given to companies and organizations which promote Bulgarian manufacturing and create new jobs.

Corporate Commercial Bank AD was awarded for being the financial institution conducting the most favorable lending policy. The bank's Supervisory Board Chairman Tzvetan Vassilev received the award personally, who thanked saying, "*Thirteen years ago, we started off with about 10 million leva's worth of assets that today come to 6.5 billion leva. We grew up along with our clients.*"
